## Research Study

# The Lived Experiences of Foreign-born Students Who Use Disability Services

POLAROID CAMERA

### Seeking international and immigrant college students who use disability services and:

- Have been in the U.S. fewer than 10 years
- Are NOT native to the U.S., Canada, Europe, Australia, or New Zealand

### Study Activities:

- An initial interview (about 90 minutes)
- Take photos of your life over 2-4 weeks
- A final interview (about 2 hours)
- A brief survey

**Participants will receive a \$60 Amazon gift card**

The purpose of this narrative-photovoice study is to understand how foreign-born disabled students experience their identities.
